

Attention Medical Assistants!

Dear Medical Assistant Member:

Our 8th Annual Meeting is being held at the Hilton Waikoloa Village on The Big Island of Hawaii over the dates November 28-December 4, 2000 (Thursday-Monday). I hope you are planning to attend! You are encouraged to participate, whether it be as an attendee or presenter.

We will continue the trend from last year by having Medical Assistant Breakfast Sessions in the mornings and then joining the physicians in the general sessions. Different than last year, this year we will have *your* Breakfast Session for both physicians and assistants. The Breakfast Session will be held one day prior than the general sessions, which will be during the day on Thursday/November 30.

I am currently developing the program content for the Medical Assistants Breakfast Sessions. I am seeking presenters that have areas of expertise. If you would like to participate, I ask that you complete the form below and return it to the Society headquarters. Oh, if you have a topic or issue that you'd like to learn more about, please provide your suggestions below. If you mark that you would like to present, I will contact you.

Sincerely,
Joseph F. Demas, PhD, FACC
Medical Assistants Program Chair
