The Bosley Medical Institute  
(310) 288-9999.

### WANTED EXPERIENCED HAIR TECHNICIAN

Large plastic surgery practice in the New York metropolitan area seeks experienced hair transplant technician to help start hair transplant practice and grow with us. Flexible hours, good benefits.

Contact Evelyn at 516-742-3404

### WANTED TWINS

Identical male twins between the ages of 21 and 50 with early hair loss are needed to participate in a nonsurgical hair regrowth study. All physical exams, laboratory work, and medication will be furnished free of charge. All physicians who refer a set of twins will be included as authors on the conclusion paper.

If you have a set of twins for this study (United States and Canada only), please call Dr. Dow Stough at 501-623-6100.

## GRAFTCYTE™ SYSTEM *A Head Start on Healing*

Specially formulated for hair transplant patients, the GraftCyte™ System provides a quick road to recovery by promoting a healthy healing environment. GraftCyte™ products enhance tissue repair while increasing patient comfort by keeping the graft area moist and richly supplied with our patented copper peptide micronutrient.

Because patients will see reduced crusting and a rapid return of healthy hair, follow-up procedures are possible sooner than ever before. Convenient and easy to use, the GraftCyte™ System can easily be tailored to any patient's lifestyle. Enhance the cosmetic benefit of your hair transplant procedures. *Give your patients a head start for a successful recovery.*
