“If you have been voting for politicians who promise to give you goodies at someone else's expense, then you have no right to complain when they take your money and give it to someone else, including themselves.”

—Thomas Sowell

**GRAFTCYTE™
SYSTEM**
*A Head Start on
Healing*

Specially formulated for hair transplant patients, the GraftCyte™ System provides a quick road to recovery by promoting a healthy healing environment. GraftCyte™ products enhance tissue repair while increasing patient comfort by keeping the graft area moist and richly supplied with our patented copper peptide micronutrient.

Because patients will see reduced crusting and a rapid return of healthy hair, follow-up procedures are possible sooner than ever before. Convenient and easy to use, the GraftCyte™ System can easily be tailored to any patient's lifestyle. Enhance the cosmetic benefit of your hair transplant procedures. *Give your patients a head start for a successful recovery.*
