# Call for Applications!

## Editor, Surgical Assistants Corner

### Attention Surgical Assistant Members of the ISHRS!

The Editors of *Hair Transplant Forum International* are currently searching for an individual to serve as Editor of the Surgical Assistants Corner. The Surgical Assistants Corner usually includes 2-3 pages of written copy in this bi-monthly publication. Copy is due on the 10<sup>th</sup> of the month prior to publication. Articles are submitted directly to *Forum* Co-Editors, Drs. Michael Beelmer and William Parsley.

#### QUALIFICATIONS:

- Must be an ISHRS Surgical Assistant Member in good standing.
- Must submit writing samples to ISHRS headquarters, along with this completed application.

#### PREFERRED, BUT NOT REQUIRED:

- Past ISHRS membership and/or attendance at ISHRS annual meetings.
- Prior experience in writing for newsletters or websites, or any applicable writing endeavor.

Applications and writing samples will be collected at ISHRS headquarters, and all eligible applications will be forwarded to the *Forum* Editors for review. The selected applicant will be notified by mail.

Submissions should be sent by fax, e-mail, or mail. Submitted materials will not be returned.

**DEADLINE FOR APPLICATION:** January 31, 2002.

Application for Editor, Surgical Assistants Corner  
*Hair Transplant Forum International*

## Guidelines for Submitting Articles to the Forum

All submissions to the *Forum* must be in electronic format: e-mail, 3.5" PC-formatted disk, or PC-formatted Iomega Zip 100 disk. We prefer Microsoft Word documents, however, WordPerfect and ASCII text files are also acceptable. Please adhere to the following additional guidelines when submitting your article(s):

- ✓ E-mail submissions will only be accepted with an **ATTACHED** document file—**do not** embed the file in your e-mail as we will be unable to use it. Your e-mail program should have an option to attach a file. When e-mailing an article, also be sure to attach any graphic files as well. Artwork (images) must be separate attachments (see bullet #3).
- ✓ If you are mailing your article, please submit both a hard copy of the article(s) **AND** a disk with the article and any graphic files (TIFF, JPEG) copied onto it. Before mailing, please be sure that your article did in fact copy onto the disk.
- ✓ Any artwork, photos, or figures that are referenced in your article must be enclosed with your mailed submission or saved on the disk in either TIFF or JPEG format. Any graphics that are submitted for scanning must be clean, original copies.
- ✓ Please submit clean originals and clear photos. If you need artwork, graphics, or photos returned, please supply a self-addressed, stamped envelope with your submission and they will be returned promptly.
- ✓ Below is the *Forum* schedule and deadline dates for submission. We must receive your article by these dates in order to have your article appear in the corresponding issue:
  - Forum 1 — January/February (deadline December 10)
  - Forum 2 — March/April (deadline February 10)
  - Forum 3 — May/June (deadline April 10)
  - Forum 4 — July/August (deadline June 10)
  - Forum 5 — September/October (deadline August 10)
  - Forum 6 — November/December (deadline October 10)

Send your submissions to:

William M. Parsley, MD  
310 East Broadway, Suite 100  
Louisville, Kentucky 40202-1745  
E-mail: [bparsley@bellsouth.net](mailto:bparsley@bellsouth.net)

**\*Please Note: All entries will be returned if incomplete or not adhering to guidelines**

**GRAFTCYTE™  
SYSTEM**  
*A Head Start on  
Healing*

Specially formulated for hair transplant patients, the GraftCyte™ System provides a quick road to recovery by promoting a healthy healing environment. GraftCyte™ products enhance tissue repair while increasing patient comfort by keeping the graft area moist and richly supplied with our patented copper peptide micronutrient.

Because patients will see reduced crusting and a rapid return of healthy hair, follow-up procedures are possible sooner than ever before. Convenient and easy to use, the GraftCyte™ System can easily be tailored to any patient's lifestyle. Enhance the cosmetic benefit of your hair transplant procedures. *Give your patients a head start for a successful recovery.*
