### Volunteer Translators Needed

The *Forum* is looking for volunteers to translate the Forum into any non-English language. It is our intention to create text documents in several languages that could be opened and printed from our Website at [ISHRS.org](http://ISHRS.org), or have the documents routinely e-mailed to requesting doctors. Ideally, it would be our goal to have several volunteers in any given language to share the work load. If you speak both English and another language, we certainly would appreciate any help in this regard. If interested, please contact Dr. William Parsley at [bparsley@bellsouth.net](mailto:bparsley@bellsouth.net).

## HURRICANE KATRINA RELIEF EFFORT AND STATUS OF ISHRS 14<sup>TH</sup> ANNUAL SCIENTIFIC MEETING

New Dates  
and Venue!

Dear ISHRS members

By now most if not all of you know about the catastrophe in Louisiana and Mississippi caused by Hurricane Katrina. Our thoughts go out to those who have been affected by this tragedy. I would like to ask that all members of the Society consider contributing to the relief efforts in any way, whether financial or otherwise.

While relief efforts have begun, the cleanup and recovery may be a slow and lengthy process. Our thoughts continue to be with all affected by this natural disaster. The Executive Committee and Board of Governors reviewed the situation and felt that it was in the best interest of the Society to move the meeting. We are pleased to announce that we have been able to relocate the ISHRS's 14<sup>th</sup> Annual Scientific Meeting (2006) that was formerly scheduled at the Sheraton New Orleans to:

**ISHRS 14<sup>th</sup> Annual Scientific Meeting**  
**October 18–22, 2006 • Hotel del Coronado • San Diego, California**

Please mark your calendars and plan to attend this excellent conference chaired by Bernard P. Nusbaum, MD.

Thank you.

Kindest regards,

*Paul T. Rose, MD, President*
