CONTINUING MEDICAL EDUCATION (CME) CREDIT

The International Society of Hair Restoration Surgery is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The International Society of Hair Restoration Surgery designates this educational activity for a maximum of 38.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The International Society of Hair Restoration Surgery's 14th Annual Live Surgery Workshop (program #1116-100) is recognized by the American Academy of Dermatology for 38.0 hours of AAD Category I CME credit and may be used toward the American Academy of Dermatology's Continuing Medical Education Award.

LEARNER OBJECTIVES: UPON COMPLETION OF THE PROGRAM, PARTICIPANTS WILL

- Understand the basic concept of hair restoration and apply this knowledge in practice.
- Understand the development of the latest techniques in hair restoration surgery and when they are best utilized for the patient.
- Evaluate the efficacy of hair loss medications and how to effectively use them in conjunction with surgery.
- Learn the various forms of alopecia, diagnosis techniques and the best approach to relevant treatments both medical and surgical.
- Comprehend the current data in genetic and medical research and its impact on hair restoration and patient care.
- Understand the various surgical techniques and their appropriate use with emphasis on follicular units, follicular extraction, scalp reductions, extenders, etc.
