

## “Find a Doctor” Online Search Notification of Change

The mission of the International Society of Hair Restoration Surgery (ISHRS) is to achieve excellence in medical and surgical outcomes by promoting member education, international collegiality, research, ethics, and public awareness. In an effort to adhere to these fundamental principles, we will be revising benefits for Associate Members of the ISHRS.

### Notification of Change in the ISHRS “Find a Doctor” Online Search

**As of January 1, 2020, only full “Member” and “Fellow Member” physicians will be included in the public “Find a Doctor” online search at [www.ishrs.org](http://www.ishrs.org). Associate Members will no longer be included.**

The decision was made in an effort to recognize those who show a commitment to the specialty by receiving continuing medical education to keep abreast of the latest advancements in hair restoration surgery. While the Find a Doctor does not certify or guarantee a level of training or competency, by including those who attend meetings, the public can at least be assured that the member did not simply pay dues and use the ISHRS “badge” as a marketing tool.

**Associate Members are encouraged to elevate to full Member status.  
Deadline: July 1, 2019, for 2020 calendar year**

To elevate from Associate Member to full Member, a physician must either:

1. Earn ABHRS certification and attend at least two ISHRS approved meetings, or
2. Attend at least 4 ISHRS approved meetings.

To maintain full Member status, a person must attend at least 1 ISHRS approved meeting every three years.

For a list of ISHRS approved meetings go to:

<https://ishrs.org/physicians/list-ishrs-approved-meetings-meet-additional-minimum-educational-requirement/>

We are dedicated to our purpose to educate and share knowledge with our members and to promote excellence in patient outcomes. We look forward to providing you the opportunities for life-long learning.

If you have questions about your membership status, please contact the ISHRS headquarters at [info@ishrs.org](mailto:info@ishrs.org) or by phone at +1-630-262-5399.

- Articles should be written with the intent of sharing scientific information with the purpose of progressing the art and science of hair restoration and benefiting patient outcomes.
- If results are presented, the medical regimen or surgical techniques that were used to obtain the results should be disclosed in detail.
- Articles submitted with the sole purpose of promotion or marketing will not be accepted.
- Authors should acknowledge all funding sources that supported their work as well as any relevant corporate affiliation.
- Trademarked names should not be used to refer to devices or techniques, when possible.
- Although we encourage submission of articles that may only contain the author's opinion for the purpose of stimulating thought, the editors may present such articles to colleagues who are experts in the particular area in question, for the purpose of obtaining rebuttal opinions to be published alongside the original article. Occasionally, a manuscript might be sent to an external reviewer, who will judge the manuscript in a blinded fashion to make recommendations about its acceptance, further revision, or rejection.
- Once the manuscript is accepted, it will be published as soon as possible, depending on space availability.
- All manuscripts should be submitted to [forumeditors@ishrs.org](mailto:forumeditors@ishrs.org).
- A completed Author Authorization and Release form—sent as a Word document (not a fax)—must accompany your submission. The form can be obtained in the Members Only section of the Society website at [www.ishrs.org](http://www.ishrs.org).
- All photos and figures referred to in your article should be sent as *separate* attachments in JPEG or TIFF format. Be sure to attach your files to the email. Do NOT embed your files in the email or in the document itself (other than to show placement within the article).
- Images should be sized no larger than 6 inches in width and should be named using the author's last name and figure number (e.g., TrueFigure1).
- Please include a contact email address to be published with your article.

*Submission deadlines:*

August 5 for September/October 2019 pre-meeting issue
