

ISHRS Annual Giving Fund

2020 Year-End Report

Dear Colleagues:

I would like to offer my sincere thanks for all that has been accomplished through the many donations made to the Annual Giving Fund (AGF) in 2020. I am truly inspired that so many members care enough about the ISHRS and AGF mission to make such transforming gifts. In 2020, we had donations of all levels from a manifold of faithful and new donors, which helped us to reach our donation goals for the year.

2020

I want to personally thank all who contributed so generously this year making it possible for us to raise \$39,538.

Despite all the challenges of the year, your kindhearted giving helped us to make 2020 one of our best years yet.

The proceeds from the year's Annual Giving Fund were used to support several projects and initiatives. Here is an example of what your gifts helped fund in 2020:

2020 INITIATIVES FUNDED

- #FighttheFIGHT, \$20,276 of the donations were earmarked to help support the consumer awareness campaign against the unlicensed practice of medicine
- Execution of online FORUM ePUB
- Operation Restore Pro Bono Program

2021 INITIATIVES

In 2021, a portion of the donations—for those who earmark it—will be used for our Fight the FIGHT campaign. In addition, we will continue to fund Operation Restore and important educational initiatives like the 2021 Basics in Hair Restoration Surgery enduring material.

We have added a donation field in our online dues system to make the donation process simple and accessible to all members. No donation is too small, and all are greatly appreciated.

Please Consider Donating

For those who have not yet contributed, it is easy to support the ISHRS's Annual Giving Fund. If you choose to donate for 2021, please complete the online donation form by going to: <https://ishrs.org/physicians/ishrs-annual-giving-fund>.

Or, if you prefer, you can contact Kimberly Miller at the ISHRS headquarters office at agf@ishrs.org with your credit card information and donation amount. New donors will receive a lapel pin, and we ask you to wear it proudly at the ISHRS meetings. Thank you for your consideration of a gift to the Annual Giving Fund. All gifts are tax-deductible within provisions of your national income tax laws. Should you need additional information, please contact the ISHRS headquarters at +1-630-262-5399.

Most sincerely,
John D.N. Gillespie, MD, FISHRS, Chair
ISHRS Annual Giving Fund

**HYBRID
29TH WORLD
CONGRESS**

LISBON

October 21-23, 2021

Don't Miss
The Big One!

INTERNATIONAL SOCIETY OF
HAIR RESTORATION SURGERY

Plans are already underway to create an unforgettable congress in 2021. Save the date for October 21-23, 2021! We have many ideas. We are naming the congress: Lisbon Hybrid. We are planning an in-person meeting, but also with an online option. This is called a “hybrid meeting.”

We anticipate travel will open up by next October so many will be able to attend in person. However, it is likely the case that some may not be able or willing to travel as it depends on the pandemic progression, vaccinations, etc. Therefore, an online/virtual option will be available. At this time, we imagine two tickets: in-person+virtual and virtual only. We plan to live stream and record sessions. We plan to have them available for on-demand viewing similar to this year. We will keep this year’s popular online CSI format to replace the traditional poster format. We are working through other details as we formulate the outline and appoint the committee. Please watch for more updates as this new and exciting plan unfolds!

REMINDER

ISHRS full **Members** and **Fellow Members** are required to attend 1 ISHRS-approved meeting every 3 years to maintain their member category.

Editorial Guidelines for Submission and Acceptance of Articles for the *Forum* Publication

- Articles should be written with the intent of sharing scientific information with the purpose of advancing the art and science of hair restoration and improving patient outcomes.
- If results are presented, the medical regimen or surgical techniques that were used to obtain the results should be disclosed in detail. If intra-operative or immediate post-operative photos are presented, please submit photos that show results (at least 6 months after surgery) of the procedure being presented.
- Articles submitted with the sole purpose of promotion or marketing will not be accepted.
- Authors should acknowledge all funding sources that supported their work as well as any relevant corporate affiliation.
- Trademarked names should not be used to refer to devices or techniques, when possible.
- Although we encourage submission of articles that may only contain the author's opinion for the purpose of stimulating thought, the editors may present such articles to colleagues with experience in the area in question for the purpose of obtaining further opinions to be published alongside the original article. Occasionally, a manuscript might be sent to an external reviewer who will judge the manuscript in a blind fashion to make recommendations about its acceptance, further revision, or rejection.
- Once the manuscript is accepted, it will be published as soon as possible, depending on space availability.
- All manuscripts should be submitted to forumeditors@ishrs.org.
- An Author Authorization and Release form must be individually completed by every author listed on the byline and the Word document (not a fax) submitted at the time of article submission. The form can be obtained in the Members Only section of the ISHRS website at www.ishrs.org. This release is meant to be signed electronically directly in the Word document. Simply open on your computer, fill in the highlighted fields, and return the Word document with your submission.
- All figures and tables should be sized down to no greater than 6 inches in width and sent as separate attachments to your email.
- For the complete list of instructions and downloadable checklist, go to: https://ishrs.org/wp-content/uploads/2020/06/ISHRS_Forum_ArticleSubmission_checklist_Fillable.pdf.

Submission deadlines:

February 5, for March/April 2021 issue

April 5 for May/June 2021 issue

June 5 for July/August 2021 issue

Donor Area Considerations for Strip and FUE Harvest

February 13, 2021

9:00AM – 11:00AM Central Standard Time/Chicago

This 2-hour CME activity is a live webinar which will be recorded with the intention to be re-watched or viewed as on-demand education. The program is intended for physicians who perform hair transplantation surgery utilizing either strip or FUE graft harvest methods. This webinar is being conducted to provide physicians knowledge on foundational principles related to donor area management including scalp and body donor areas. As a result of this activity, learners will be able to discuss factors to consider when creating a surgical plan for the donor area, including scarring, pain management, wound healing, and donor sources. The online live component will include presentations, panel discussion, and audience participation via verbal questions and discussion, typing chat Q&A and polling.

To register, go to <https://ishrs.org/cme-webinar-feb-2021/>.

The International Society of Hair Restoration Surgery is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The International Society of Hair Restoration Surgery designates this Other Activity (blended synchronous and enduring) for a maximum of 2.00AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Note: CME Credit may only be claimed one time for each webinar.
