CHANGES FOR 2024 IN THE MEMBER EDUCATIONAL MAINTENANCE REQUIREMENT

As per the Bylaws, ISHRS full Members and Fellow Members are required to adhere to educational maintenance requirements to retain their member category. Previously, the criteria were to attend 1 ISHRS-approved meeting every 3 years.

NEW!

The ISHRS Board of Governors changed the criteria to a POINT SYSTEM and expanded it to include more "ISHRS-approved meetings" including a path for regional meetings of Global Council member societies. Stay tuned for details in your inbox about the new system.

Mission: A global hair restoration medical society committed to improving patient outcomes by promoting member education, collegiality, research, innovation, ethics, and public awareness.

Editorial Guidelines for Submission and Acceptance of Articles for the *Forum* Publication

- Articles should be written with the intent of sharing scientific information with the purpose of advancing the art and science of hair restoration and improving patient outcomes.
- If results are presented, the medical regimen or surgical techniques that were used to obtain the results should be disclosed in detail. If intra-operative or immediate post-operative photos are presented, please submit photos that show results (at least 6 months after surgery) of the procedure being presented.
- Articles submitted with the sole purpose of promotion or marketing will not be accepted.
- Authors should acknowledge all funding sources that supported their work as well as any relevant corporate affiliation.
- Trademarked names should not be used to refer to devices or techniques, when possible.
- Although we encourage submission of articles that may only contain the author's opinion for the purpose of stimulating thought, the editors may present such articles to colleagues with experience in the area in question for the purpose of obtaining further opinions to be published alongside the original article. Occasionally, a manuscript might be sent to an external reviewer who will judge the manuscript in a blind fashion to make recommendations about its acceptance, further revision, or rejection.
- Once the manuscript is accepted, it will be published as soon as possible, depending on space availability.
- All manuscripts should be submitted to forumeditors@ishrs.org.
- An Author Authorization and Release form must be individually completed by every author listed on the byline and the Word document (not a fax) submitted at the time of article submission. The form can be obtained in the Members Only section of the ISHRS website at www.ishrs.org. This release is meant to be signed electronically directly in the Word document. Simply open on your computer, fill in the highlighted fields, and return the Word document with your submission.
- All figures and tables should be sized down to no greater than 6 inches in width and sent as separate attachments to your email.
- 11-17. For the complete list of instructions and downloadable *Article Submission Guidelines Checklist* and *Author Authorization and Release Form*, go to: <https://www.ishrs-htforum.org/content/authors>.

Submission deadlines:

February 5 for March/April 2024 issue

April 5 for May/June 2024 issue

June 5 for July/August issue

ISHRS

Preceptorship Program

Program Directors Wanted

We are actively seeking Fellow Members to serve as ISHRS Preceptorship Program Directors. If you have a passion for teaching, we invite you to apply to host this observation-based, experiential learning program in your clinic.

As a director, you will host your ISHRS colleagues, at a time and duration convenient to you, and share your experience and technique in practicing hair restoration surgery. You will train the next generation of surgeons and/or help experienced surgeons expand their offerings.

DIRECTOR REQUIREMENTS:

- Fellow member of the ISHRS.
- Complete and submit a Program Director application.
- Be willing to host a preceptee in your clinic for a duration of 3 days – 4 weeks to observe your surgical practice and techniques.
- You may choose to charge preceptees, or not.

BENEFITS:

-  Those interested in hair restoration surgery will learn from experienced and ethical ISHRS Fellow Members.
-  Further establish yourself as a leader in the field.
-  Help attract members to our prestigious medical society.

For more details and to apply as a Preceptorship Program Director, visit: [ISHRS.org/preceptorship](https://www.ishrs.org/preceptorship)
