WANTED HAIR TRANSPLANT ASSISTANT

Experienced hair transplant assistant needed for full- or part-time work at center in Miami, Florida.

Competitive salary.

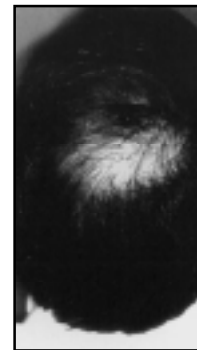

Please respond to:

ISHRS - Box VCF 41
930 North Meacham Road
Schaumburg, IL 60173 USA

WANTED TWINS

Identical male twins between the ages of 21 and 50 with early hair loss are needed to participate in a nonsurgical hair regrowth study. All physical exams, laboratory work, and medication will be furnished free of charge. All physicians who refer a set of twins will be included as authors on the conclusion paper.

If you have a set of twins for this study (United States and Canada only), please call Dr. Dow Stough at 501-623-6100.

**THE CUTTING
EDGE!**

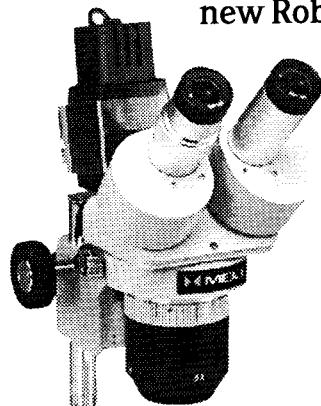

MEIJI EMT Binocular Stereoscopic Dissecting Microscope

Scalp micrograft technology has just evolved to new heights with the new Robbins MEIJI EMT Binocular Stereoscopic Dissecting Microscope.

The Robbins MEIJI EMT allows you to:

- Get superior quality grafts with higher incidence of survival.
- Better identify follicular clumps and pilosebaceous anatomy.
- Create perfect hairlines – especially with light color skin.
- Dissect 10-20% extra donor hairs from the same size donor site (as compared magnifying loops).
- Identify fine white hair shafts below epidermis – often not seen through magnification or naked eye.

*Enjoy the competitive edge...
with the Robbins MEIJI EMT*

Robbins EMT Stereo body with halogen illuminator mounted on KBL Stand.
